CASH - NEILL FAMILY REUNION 2020

Cash~Neill Family
Virtual Reunion 2020
July 24 - 26, 2020

Dear Family Members:

The 2020 Cash~Neill family reunion committee is very pleased to invite and present you with the details for our upcoming virtual family reunion! We are so excited to connect and see everyone virtually and truly engage and create meaningful new memories with our family.

While we would have enjoyed going to the mountains of North Carolina for this 2020 reunion, COVID-19 prevented that, but the show must go on. We have created a wide array of fun online activities, family history events, popular games, cash prizes and much, much more.

{ *Our Roots Run Deep* }

This year's theme is “Our Roots Run Deep” and is inspired by an African philosophy that embraces the spirit of Ubuntu, a belief that every person’s humanity is tied to everyone else’s so that what you do affects the whole world. There is strength in unity, and we want a unified family, especially in times like these. We will rekindle old relationships, meet new family members, learn about our family’s history and have a good ol’ time.

Strong and deep roots will result in our future generations who grow up knowing their history, loving themselves and holding on to our sense of self, family values and pride. Our family members will be able to make an impact in their communities and around the world and live a life that is full and happy—with a sense of belonging. They will have answers to Who am I and Where do I come from? Like branches on a tree our lives have grown in many different directions, but our roots will always stay connected!

Now, Let’s get started!
